| 5. | <p>Menopause – Update</p> <p>Ingrid updated the network on ideas generated with the T&FG which met in April.</p> <p>Part of a national initiative and based on the model of death cafes, menopause cafes are a chat and conversation model of engagement https://www.menopausecafe.net/hold-a-menopause-cafe/</p> <p>WHN has signed up as a member and there will be three pilot sessions with the host being - Equity Partnerships, Sharing Voices and Windhill Community Centre.</p> <p>Discussion was around the open nature of these sessions, apart from the theme talking about the menopause these are unstructured and open sessions with free flowing discussions, and this would hopefully attract individual women and new members.</p> <p>Ingrid to support with facilitation and also project leads.</p> | <p>T&FG to arrange dates and promote using menopause café flyers</p> |
