

ICB 18th October 2019 notes

Checking in

Provider collaboration meeting this week went well.

CQC inspections for BTHFT on 10-12 December (well-led) and 27th November for resources Squire Lane development with Lord Mawson been visited by GPs. Lord Mawson now 'detached' from Well Bradford and starting another development.

System Communications and Engagement Network/ Enabler

There is a desire to have a system wide comms and engagement network to have joined up approach to C&E to maximise impact of priorities (eg programme of campaigns to support place priorities) and local people get the same messages. Enables staff development (by sharing skills/knowledge etc) and reduces impact of staff absence in different organisations/increases system resilience in this area.

This joining up would also support ICS requests from WYH HCP.

It was agreed to just get started with some campaigns over the next couple of months. There was an ambition to see if there was an appetite to make a joint team for comms within the system and this will be considered; this might get started through the resilience item above (ie sharing staff and enabling working across organisations).

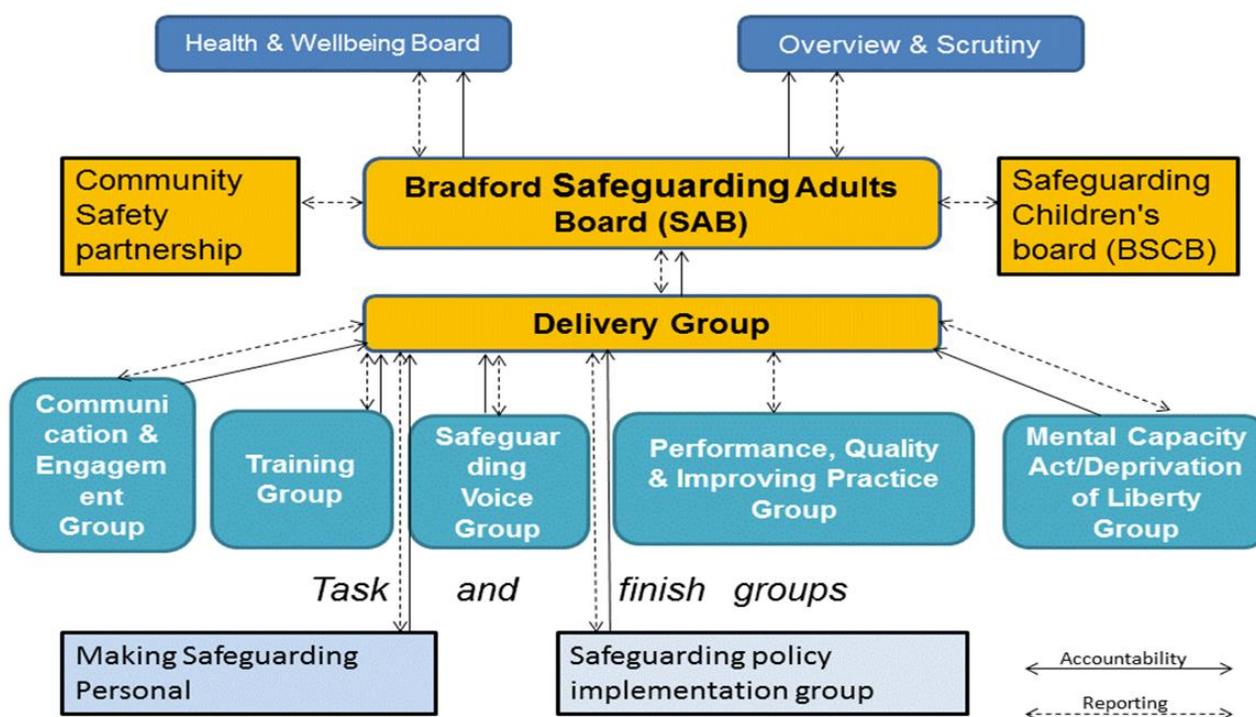

There is also an ask from this network to support internal comms of the system – to support staff etc and not just work to on campaigns targeted at the public.

Safeguarding

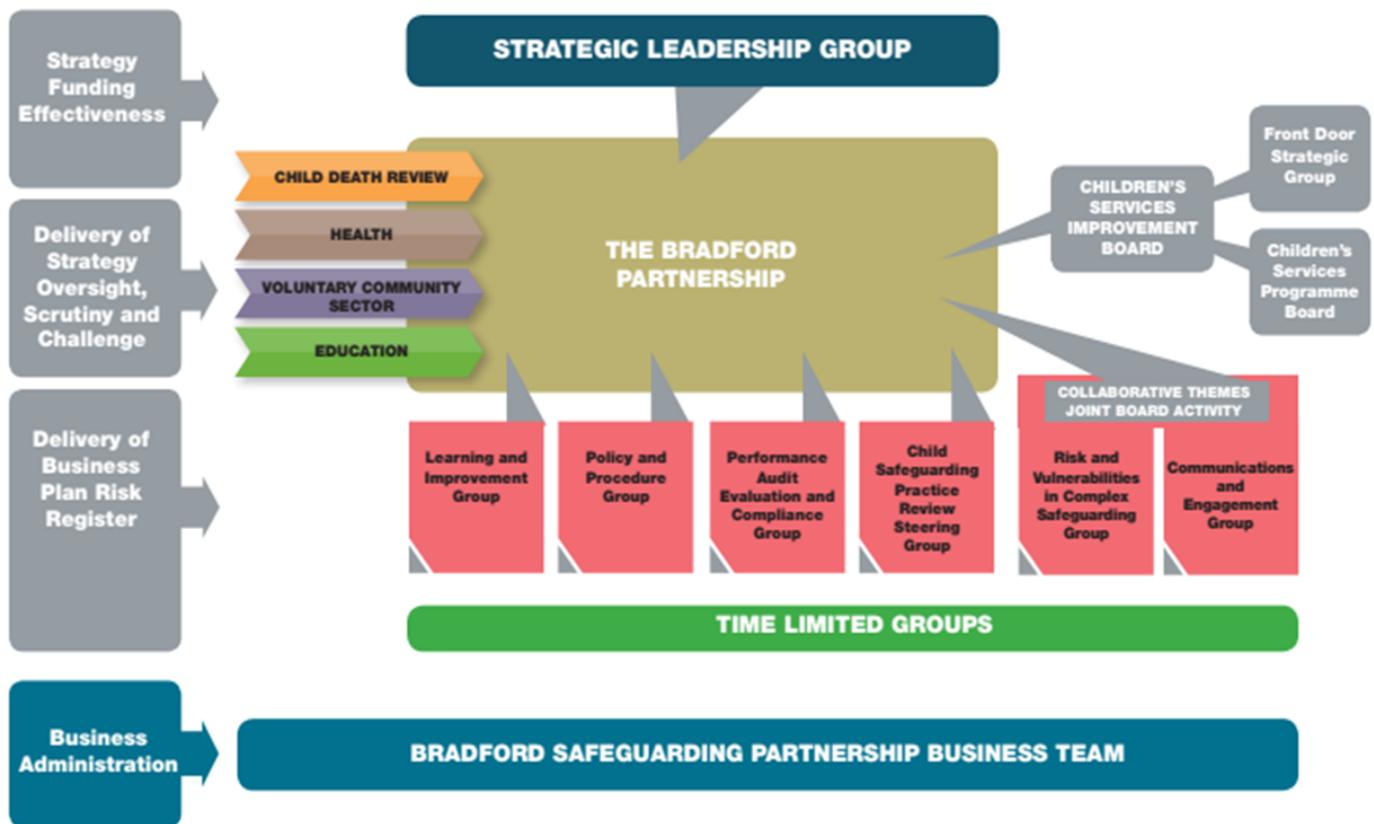

ICB received a presentation from the two Chairs (Adult and Children's) to understand the Safeguarding Boards in the district.

These diagrams show the structure of the two Boards:

Safeguarding Adults Board 2019/20

Working together to safeguard children
THE BRADFORD PARTNERSHIP

The Boards then share some sub-groups with the Community Safety Partnership – these cover comms and engagement and risks and vulnerabilities in complex safeguarding.

The Adults SAB have simplified their strategic plan – this can be found here:

<https://www.bradford.gov.uk/media/5134/bradford-safeguarding-adults-board-strategic-plan-2018-21.pdf>

Legal status for Children – no longer independent body – now a function of the three main partners (council, CCG, police). Structure above – most of the work is done in the task groups. There are some key changes – eg FOIs now apply (meaning that some people don't want to share info in case it gets FOI'd and released). There is no longer required to have an independent Chair but do need to have external scrutiny. In Bradford they kept the Chair and gave them the role of the Scrutineer – main extra duty is chairing the performance audit sub group.

There is also a plan on a page for the Children – this can be found here:

<http://bradfordscb.org.uk/wp-content/uploads/2019/05/BSCB-Strategic-Plan-on-a-Page-2019-to-2021.pdf>

There will be a new website for the THREE Boards (adults, children and community safety) from November.

November meeting

The next meeting on 15th November will be a joint meeting with our Leeds colleagues (with their Partnership Executive Board PEG)) so there won't be any minutes.
