

JU:MP AWARD PROGRAMME INFORMATION & GUIDANCE

JU:MP is focused on improving the health and wellbeing of children aged 5 – 14 and their families, through physical activity in North Bradford. JU:MP will work with local communities and organisations to increase opportunities for children to be active.

JU:MP is a lottery funded programme with Sport England and has research embedded throughout; testing innovative approaches in order to learn more about what works, sharing its discoveries widely and its approaches to physical activity.

Children say that they want fun, informal activities near to where they live and these are the types of physical activities that we are looking to fund: play, dance, sports, martial arts, games, walking, cycling and exploring the outdoors.

So if you have a great idea to get children and young people active, we want to hear from you!

Who can apply?

- Community, voluntary and faith organisations (constituted)

How much funding is available?

From £250, up to £1,500 (one application per organisation, per round)

Criteria to apply:

- Projects to be delivered in the north of Bradford, including Allerton, Fairweather Green, Toller, Heaton, Manningham, City, Bolton/Undercliffe, Windhill and Eccleshill (see map)
- Projects that engage less active children and young people aged 5-14 years in physical activity
- Projects co-designed through consultation & engagement with local children & families
- Priority will be given to organisations based in the defined North Bradford area and where beneficiaries of the projects live
- Projects to be delivered between October 2020 and December 2020

We are particularly interested in activities that are:

- For children aged 5 – 7 years
- Diversionary activities for young people aged 11- 14 years
- Delivered in local community, faith settings and schools (not in school time)
- Delivered in local parks or green spaces
- Fun, informal activities
- Family activities
- Holiday programmes

Values:

- We are committed to sharing the learning with our communities
- We support activities that are inclusive, affordable and are value for money
- We are interested in projects that are sustainable and help children stay active longer term

- We are keen to support activities that bring communities together with a positive ethos
- Building new partnerships locally and/or strengthening existing ones

Outline of information needed for application:

- Description of the activity / initiative
- What consultation have you undertaken with local children / young people / families to shape your activity?
- An in-depth risk assessment is required to demonstrate how you will be adhering to government social distancing guidance.
- What will you spend the money on (budget)
- Applicants can include purchase of PPE of up to £100 within the overall costs.
- How many children/young people/families do you intend to engage in the activity?
- How will your project support less active children to be active?
- What outcomes do you hope to achieve from the activity
- Briefly outline your organisation's track record of successfully delivering projects
- Evidence of eligibility to apply e.g. Constitution
- Evidence of safeguarding policies and procedures
- Bank account details and a bank statement dated within the last 3 months
- An organisational referee

Evaluation

All applicants must be willing to participate in recording attendance for your programme if your application is successful. We will require information to be recorded such as the name, address, gender, age and ethnicity of children taking part.

Exclusions

We are unable to fund:

- Existing programmes, as it needs to be a new idea or new project
- Activities delivered within the school curriculum
- On-going running costs of your organisation (Full cost recovery information to be provided)
- Facility development applications (see Sport England's funding opportunities which support capital projects)
- Equipment only (capital) applications or those with a substantial equipment element to them.
- Any shortfall in funding for an existing service or project where another funder has withdrawn funding
- Items that can only benefit an individual
- One off events
- Endowments / Loan repayments
- Foreign trips
- Religious activities or political campaigning / promoting religious beliefs
- Retrospective costs
- Staffing costs - reasonable sessional staffing costs only

How are decisions made?

Once you have completed and submitted your application form, applications will be

assessed by a panel of local representatives and colleagues from JU:MP and CNet. Decisions will be based on the strength of the application which meets the aims and objectives of the programme.

Round 3

- Open Monday 27th July 2020
- Deadline to submit your application and **all** supporting documents: 4pm Monday 24th August 2020

You will be notified of the panel's decision within 4 weeks of the closing date.

Projects must be completed by end of December 2020.

Please note that there is no appeals process in place for this awards programme and all panel decisions are final. Applicants that were successful in previous rounds who have not yet completed delivery of their project cannot apply to this round.

Please note: all activities require a risk assessment which must follow government guidelines around social distancing. If the circumstance arise where lockdown rules do not ease, a level of flexibility is required from providers to re-schedule and/or adapt your programme accordingly. Providers must check the latest government guidance on social distancing and sport and that the emphasis is upon each provider to comply.
