

Upcoming changes to the health and care system: the role of the VCS in the development of social care and public health

lain MacBeath, Strategic Director for Bradford Council **Health and Care Forum, January 2022**

Change is the only constant...

- Legislative NHS changes
- > 1% 'left shift'
- Compact
- VCS Commissioning Strategy
- Publicise an annual commissioning plan

Summary of NHS changes

- A primary legislative change
- Intended to encourage closer partnerships locally
- West Yorkshire Health and Care Partnership
- Removes commissioner / provider split in the NHS
- Local authorities as partners
- Focus on population health and inequalities, prevention and early help
- The Act delayed until June 22
- Aiming for a distributed leadership model....

Place leadership and delivery arrangements

1% on 'Left Shift'...

- Investing public sector resources to prevent need
- ➤ New interventions upstream on 'health creation'
- A greater proportion of budget in the VCSE sector
- More decisions taken closer with communities

Renew Bradford District Compact

- A local agreement between the VCS and public sector
- Last updated in 2015 and not universally understood by commissioners
- How the sector will operate
- Transparency and coproduction
- Shared commitments
- Working collaboratively
- Communication between sectors

VCS Commissioning Strategy

- A document for commissioners but agreed with the sector
- Grants versus contracts
- Social value and favouring the sector
- Longer term agreements
- Overheads
- Proportionate monitoring
- VCS workforce development
- Publication of commissioning intentions
- Exit strategies
- Co-design with the sector
- Encouraging collaboration and lead providers
- Contractual assistance (SLA, MOUs, Lol etc)
