

The Thing I love ~~to eat~~ most

The thing I love ~~to eat~~ most  
is Marmite on toast

Call it a boast

But it beats a Sunday roast

And I'll shout it from coast to coast

And from my inner most

Yes I'd give up the ghost

And my utter most

Just to have Marmite on toast

Yes if I were an Athlete I'd be 1st best

the Post

With my Marmite on toast

I get really engrossed

At the upper most

And I'd be a wonderful host

If you liked Marmite on toast

Cause the thing I love ~~to eat~~ most

the most

is Marmite on hot buttered toast

But it beats a Sunday roast

And I'll shout it from coast to coast

And from my inner most

Yes I'd give up the ghost

And my utter most

Just to have Marmite on toast

Yes if I were an Athlete I'd be 1st best

the Post

With my Marmite on toast

I get really engrossed

At the upper most

And I'd be a wonderful host
